A Letter to the Proud Parents

Dear Parents:

Let me take this opportunity to welcome you and your child to the Southington Library & Museum family. We hope you and your child come visit the library and experience all it has to offer soon.

Reading to your child and instilling a love of books is the best gift you can give. While reading to your child, you stimulate your child's intellectual development and create a strong emotional bond between parent and child. Make reading and a trip to the library a time-honored tradition in your family.

Visit our web site <http://southingtonkidsplace.wordpress.com> for information on programming and all the Children's Department has to offer. You can also visit our Parent's Connection, our parenting blog at <http://splchildrens.wordpress.com>.

When you visit in person, browse our collection of board books, designed to entertain even the youngest of readers. Board books are located in the Toddler book browser to the left of the puppet theater.

Our Parent Shelf offers a variety of help with issues facing today's parents. We even have a list of books for the new big brother or sister. Please ask at the Children's Services Desk for a copy of our New Sibling bibliography or help finding parenting materials.

When your child is three months old you may sign up for Playdate, our infant program. The Playdate program provides a safe and nurturing learning environment for babies and offers parents the opportunity to socialize with their peers.

Congratulations and Best Wishes!

Cindy Wall, M.L.S.
